Comprehensive Plan Updates

The City of Ellsworth Planning Department and Comprehensive Plan Steering Committee are pleased to announce the launch of a new Social Pinpoint website devoted to the Comprehensive Plan. Visit tinyurl.com/Ellsworth2035 to explore the site. This site is a place where interested community members can go for updates on the Comprehensive Plan. The site is also a location where community members can give feedback, make suggestions, and point out areas of improvement around the City. Social Pinpoint will be a great tool throughout this process and we are very excited to begin using all it has to offer.

The Comprehensive Plan Steering Committee will be holding a "kick-off" event on June 16th at 11Am to 1PM in the Franklin Street Parklet. This is an opportunity for community members to come and learn more about the Comprehensive Plan process, as well as how they can be involved. There will be information about each of the subcommittees and sign-up information provided. We encourage interested members of the public to stop by and check it out!

If there are any additional questions, please reach out to the City Planner, Matthew Williams, at mwilliams@ellsworthmaine.gov or reach out to the Steering Committee at compplan2035@ellsworthmaine.gov
